Get State Legislative Support for Nonprofit Causes

In order to serve their communities and advance their missions, nonprofits need to navigate the complex legislative landscape to effectively lobby for laws that serve their communities and improve people's lives.

On March 25, we hosted a successful webinar with an in-person option. Despite some technical challenges, the 90-minute session featured practical examples and active student participation. The feedback was overwhelmingly positive, with many requesting another class. We're excited to announce ChatGPT 102 on Wednesday, May 21—don't miss it! It's going to be a fantastic session.

Sunshine Certificate in Nonprofit Management

The key to success for any nonprofit is education like that through the Florida Nonprofits' Sunshine Certificate in Nonprofit Management. This amazing opportunity to take these highly-rated classes is available without traveling (with a hybrid option).
